Formosa Talent Internship Program

Your Global Journey Starts Here!

Gain Experience • Build Your Future

Join the Formosa Talent Internship Program (FTIP) and get hands-on experience in Taiwan while exploring cultural exchange, professional growth, and academic opportunities at National Formosa University!

International Collaboration
Established with NFU and supported by the Taiwan Experience Education Program (TEEP) through the Ministry of Education in Taiwan.

Short-term Internship / Project Work
Work with partner universities and research centers in NFU's laboratories and research centers.

Cultural Immersion
Improve your language skills, experience Taiwanese culture, and make new friends.

Scholarships & Support
Receive a monthly stipend, tuition waiver, and other benefits (up to NT$60,000 per semester).

From FTIP to Your Career in Taiwan

What happens after your exchange semester — and how far it can take you.

More than an Internship — A Future!

FTIP Alumni Benefits

1. **9 credits transferable** — Professional courses can be counted toward your future NFU Master's/PhD transcript, so you graduate sooner.
2. **Priority for degree admission** — FTIP alumni receive priority consideration when applying to NFU's Master's/PhD programs, backed by recommendation letters from the NFU professors who supervised your projects.
3. **A head start on life in Taiwan** — You arrive already adapted to Taiwanese culture and campus life, with a semester of Mandarin already under your belt.

Recommended Pathway: FTIP → Degree → Career

STEP 1

FTIP (1 Semester)

- ✓ Full scholarship
- ✓ Earn 9 credits
- ✓ Get recommendation letters from NFU professors
- ✓ Adapt to Taiwanese culture
- ✓ Learn Chinese

→

STEP 2

Master's / Ph.D. at NFU

- ✓ Full scholarship
- ✓ Work part-time & gain work experience
- ✓ Join conferences & competitions
- ✓ Final semester: paid internship
- ✓ Obtain Chinese language certificate

→

STEP 3

Pursue a Career in Taiwan

- ✓ NT$30,000+/month basic salary
- ✓ Work for 2 years after graduation
- ✓ Fast-track to permanent residency (after 3 years working)

Scholarships to Fund Your Master's/PhD at NFU

NFU Scholarship
Tuition waiver + monthly stipend up to NT$6,000 (Master's); NT$12,000 (PhD).

MOE Taiwan Scholarship
Tuition & fees up to NT$40,000/semester + monthly stipend of NT$15,000 –20,000.

MOFA Taiwan Scholarship
Monthly stipend of NT$3,000 for degree programs, plus a one-way economy flight ticket to Taiwan.

Taiwan's New Policies Welcoming International Talent

Freedom to Work
Apply for an extension of stay after graduation for up to 2 years. Explore job and industry opportunities with no work permit restrictions (including internships and part-time work).

Fast-Track to Permanent Residence (APRC)
International graduates from Taiwan can shorten the required stay for permanent residency by 1–3 years. High-level professionals may apply after just 1 year.
