# INTERNATIONAL INTENSE PROGRAM

(English-taught Master Degree Program)

- International INTENSE Program in Science College
- International INTENSE Program in Food Industry and Artificial Intelligence

## Introduction of the Program

The **International INTENSE Programs** are established in response to domestic industry demands for skilled professionals. Enterprises are actively involved throughout the process, including talent selection, course instruction, and internship opportunities, to achieve the shared goals of cultivating and retaining skilled professionals.

## Who We Are Looking For?

This program is a full participation of enterprises in selecting outstanding talents, course instruction, and internships, all aimed at jointly fostering and retaining talents. The international students who are aiming to study and develop their career in Taiwan is the one we are looking for.

## Key Facts

### Entry Language Requirement

- International Students who have **Bachelor Degree**,
- English Proficiency with **CEFR B2**: TOEFL ITP 550, IELTS 6.0, TOEIC 700 or equivalent certificate.
